LAHORE,
Dated, the 19th February, 1936.

My dear Sir Mirza,

I trust that in the few years that have passed since we met you have not altogether forgotten me and I hope also that you are very well.

My object in writing is to ask whether you will be so good as to arrange for the administrative training of the Waliahad of Khairpur in a similar manner in which you have so kindly assisted in the education of the other Ruling Princes or Heirs-apparent in the past. I shall be most grateful if the Mysore Durbar can see their way to extend their valuable help in the present connection.

The Waliahad of Khairpur is not very bright. He has with him an English Guardian in the shape of Major Gratton, who, with Mrs. Gratton, are responsible for the welfare of the Waliahad. At present he is at Karachi and is shortly to undergo a short tour with one of the Collectors of a Sind district. The boy is about 23 years of age, and when I say that he is backward I mean that he is a little mentally unbalanced. He was not very well a year or two ago, but with Major Gratton he has made great progress recently, and I am not without hopes that if all goes well in a few years time he may have reached normality, though I am afraid that it is too late to be confident

Detailed Programme.

2. Sub Division Office.	One week.	To study the Office Procedure.

4. Revenue Commissioner's Office.	Two weeks.	To study the Office Procedure.
5. Survey Office.	Two weeks.	To study the working of the Land Records and Survey Department including that of the Field Establishment.

Your demi-official letter No.F.30/1936 dated the 17th instant asking for information regarding the progress and possibilities of His Highness the Mir of Khairpur, who is undergoing a course in the training here.

Soon after the arrival ~~of His Highness~~ here, a detailed programme of training was drawn up in consultation with Major Gratton so as to cover a study of ~~the working of~~ the various departments.

His Highness has so far undergone training in acquainting himself with the work of the marginally noted departments. I have also given him opportunities to attend the meetings of the Representative Assembly and Legislative Council and watch the discussions.

I am glad to say that every officer of the State who has come in contact with him bears testimony to his punctuality, earnestness and desire to profit by his training. Though reserved by temperament, his behaviour is gentlemanly and dignified. Considering his ~~youth~~ inexperience and lack of proper ~~earlier~~ early training, I should say that he has done well so far by the

10 Under the Economy orders now in force leave in excess of 3 months in the aggregate, is granted on grounds of ill-health supported by a Medical certificate or for other urgent and unavoidable caseso. Mr Muddukrishnappa does not make any mention of it. He says, that he may be granted 4 months' leave preparatory to his retirement from service.

(1) The amount of ~~as~~ leave ~~asked~~ to be granted

~~and~~ (2) The ~~offic~~ Substitute to be selected ~~for~~ in his place, ~~as~~ he is a civil service officer
